Pants, February 8 .- The following details of the disorder in the northeastern erroratio-ments are gleaned from the newspapers: Rechefort was arrested as however point of entering a political meeting in the line de Flandre, running from Belleville to

La Vidette Although there was a great crowd of peo ple present, consisting mainly of his partis-sans, he made no resistance and did not apans, he made no resistance and did not ap-peal to the crowd. As soon as the arrest was made known to the meeting, the wildest access occurred. Gustave Floureus, who presided, rose excitedity, drow his aword, fired his revolver and declared that insurrec-

tion had begun.

The meeting broke up in disorder, and the crowd under Gustave Flourens, immediately proceeded to barricade the atrects. This was accomplished without loss of time by the appropriation of omnibuses and other vehicles from the stables in the neighborhood. tion had begun.

A commissary of police, charged with the arrest of Rochefort, was forced along with crowd and seriously maitrented. The district lying between the Rue du Fourbourg du Temple and the fortifications.

was in possession of the ricters.

At eleven o'clock a body of the policic charged the barricade in the Rue de Four bours de Tampia. bourg du Temple, and attempted to carry it, but met with a repulse. One of the com-

nissaries was dangerously wounded and on-policeman was killed.

the people who were participating in it aroused to violence. The act of the Govern-ment was a provocation to the disturbance

which took place.

A mamber of the Ministry explained that the authorities had refrained from arresting Rochsfort at the Chambers in order to avoid the scandal to which his arrest at such a pince would have given rise.

He asserted that the friends of Rochefort

were prepared to make the demonstration which they had made; and upon this fact the Ministry would rest the responsibility for what had taken place, and the country would judge between the Ministry and the

reserved.

He said there used be no unessiness for the people. The Government was animated by the best sentiments towards them. The Minister of the Interior followed. with the assertion that the friends of Roch

fort had determined on a demonstration in case Boohefort should be arrested at the Chambers.

M. Ollivier praised the conduct of the

police in dealing with the disorders. He said they had acted with prudence and quences have made a sensation here. There are many rumors affoat in regard to the mat-ter, one of them being that the troops fired upon the crowd. The rumors, however, are generally discredited.

George Peabody's Final Funeral Obsequies. Parbout, Mass., Feb. 5.—The final fune

ral obsciplise of George Panbody were con-ducted at most to-day, according to the programme. The attendance was large and the services were solemn and impressive. The Hon. Robert C. Winsbrop about three quarters of an hour in the delivery of his address. Prince Arthur, Admiral Parragut, Governor Challo, Minister Thereston, Captain Commercil, and Governor Chamberiain, of Maine, were among the distinguished persons who were present.
